

A SPECTACLE TRAVERSING TRADITION AND ART

Discover the soul of a place with uncountable treasures

A land of unparalleled beauty and spellbinding art forms, Kerala is an amalgamation of diverse cultures united by a common fabric that is the Malayalee spirit.

The 12th edition of 'UTSAVAM' seeks to celebrate this spirit across the 14 districts of the State, enthraling spectators and visitors with a never-before-seen display of sights and sounds. This will comprise art forms, craft exhibitions and cultural programmes galore, not to mention lectures and demonstrations by renowned performers.

Steeped in tradition, myth and ritualistic practice, this folklore festival takes you on a wondrous expedition through the intricate maze of Kerala's rich cultural heritage. As you get caught up in the magnificence of it all – with hundreds of art forms and thousands of artists vying for your attention, we hope you'll treasure this experience in times to come.
